

The TriWoods Informer

March 2025

An Active Community Is A Safe Community.
It's 10:00 PM. Do you know where your children are?

A Message from our President Bud Wyatt

I've been the president for almost 5 years now. I do it because I care for the development. I don't get paid. I do it for the safety of our community. I make judgment calls for snow removal. Some people might not agree with it, but don't call or text me in the middle of the night at 4:30 am. I do have a job to go to. At our next general meeting MARCH 18th, 2025, we have state and county Representatives that are showing up. And I PLAN ON TALKING TO THEM ABOUT DPL latest fee. **It's open nominations** for next year's officers so hope to see you there.

**You are invited to the TriWoods Civic Association General Meeting on
March 18, 2025 at Christiana High School at 7:00 pm.**

Dear members, please join us on Tuesday, March 18th for light refreshments in the Christiana High School cafeteria. TriWoods Civic Association's general meetings are meant for you, our members, to meet other members, share your ideas, be informed of the association happenings, ask questions, participate in discussions, and voice concerns/offer solutions. Not a member, not a problem. There are always membership forms at our meetings. Key agenda items for our March meeting are **nominating people to run the Association next fiscal year**, reviewing our budget after the snow plowing season, getting updates from our state and county elected officials, and reviewing the plans for the remainder of the fiscal year.

NOMINATIONS

Every year at our May general meeting, TriWoods Civic Association members vote for who will be the **President, Vice President, Treasurer, and Secretary** for the next fiscal year. In the past, choices of officers to vote for were often limited to current officers as it was rare that non-board members stepped up and self-nominated. We are hoping that this year will be different. If you cannot take on a board position as an officer, can you take on a **Committee Chairperson position? Not ready yet to take full responsibility of a committee? You may be able to assist a chairperson as a co-chair.** Reach out to Marielle Schank for more information at 302-468-9224 or email mrsschank@hotmail.com
